OMEGA GUARD SERVICES, LLC

CAPABILITY STATEMENT

Professional officers. Active oversight.

Charleston-based guard and patrol provider serving South Carolina and North Carolina, with regional teams in Charleston, Charlotte, and the Triangle. Hospitality-focused service backed by direct employee delivery and documented quality controls.

CORE CAPABILITIES

- Armed and unarmed security officers
- Vehicle patrol officers; foot and community patrols
- Officer-led access control, visitor procedures, and events
- Incident reporting and coordination with staff and responders

OPERATIONAL DIFFERENTIATORS

Direct delivery: Omega employees perform guard and patrol services. Omega manages recruiting, training, scheduling, supervision, and customer communication.

Documented oversight: At least twice-weekly inspections at recurring sites; unique photo check-ins; missed-check-in escalation; report review; corrective actions tracked through resolution.

ACE Standard: Appearance, Conduct, and Execution guide professional presentation, courtesy, attentiveness, punctuality, post instructions, and accurate reporting.

Experienced leadership: Founder Christopher Kilpatrick brings federal security-engineering, physical-security, and operating-procedure experience, plus SLED instructor qualifications.

SELECTED COMMERCIAL PROJECT EXPERIENCE

Residential / waterfront community: Vehicle and foot patrol, construction-area checks, access monitoring, and incident documentation. Service began May 2024.

Film production: Multi-location unarmed coverage of filming sites, cast housing, equipment staging, and overnight support areas. July-December 2025.

Gallery / studio events: Guest credentialing, restricted-area monitoring, and protection of valuable assets. Recurring assignments began July 2024.

Anonymous summaries of projects documented in Omega's GSA proposal. References available upon request.
